### **Legal Notice No.19 of 2010**

KEMI is mandated under Legal Notice No.19 of 2010 to undertake management training, research, and consultancy. The Legal Notice spells out the functions of KEMI as follows: -

1. Provide management training, research and consultancy services in the education sector on a commercial basis to the public and private sectors and to any other person, local or foreign, who may request for such services from the Institute.
2. Provide training programs, seminars and workshops and produce publications aimed at promoting managerial competence and integrity in the education sector.
3. Produce, maintain, and disseminate documentation and information services and equipment relating to administrative management, technical and educational reform issues.
4. Serve as a management advisory, consultancy and resource center for personnel involved in educational work.
5. Undertake research related to training, policy, and emerging issues.
6. Provide a forum for effective collaboration between the public and the private sectors and other interested parties for capacity building in the education sector.
7. Conduct examinations and award diplomas, certificates, and other awards to successful candidates.
8. Undertake resource generative services in a cost-effective manner to build self-sufficiency.

### **Legal Notice 163 of 2011**

In 2011, Legal Notice 163 amended the name of the Institute from 'Kenya Education Staff Institute' to 'Kenya Education Management Institute'. In this respect the Legal Notice deleted the expression 'Kenya Education Staff Institute' wherever it occurs in legal notice 19/2010 and substituted it with the expression 'Kenya Education Management Institute'.
